Monthly Spotlight – KNOWLEDGE 2025

LMTEQ at ServiceNow Knowledge 2025 Las Vegas | May 6–9, 2025

LMTEQ’s CEO, Manavalan Karunanithi, and CTO Durai Raj joined global leaders at ServiceNow Knowledge 2025 to discuss how AI-driven solutions are shaping the future of enterprise IT. From healthcare to manufacturing and BFSI, our conversations focused on transforming business outcomes through intelligent automation and unified workflows powered by ServiceNow.

Project Milestone – Phase 2 Begins Driving Innovation for CapitaLand with ServiceNow

LMTEQ has officially kicked off Phase 2 of the Data Center Implementation Project for CapitaLand, one of APAC’s leading real estate and data center providers. This phase involves deploying a custom-built solution on the ServiceNow platform, tailored to streamline operations, enhance visibility, and scale infrastructure management across CapitaLand’s expanding portfolio.

Welcoming New Talent 7 New Professionals Join LMTEQ in May

LMTEQ has officially kicked off Phase 2 of the Data Center Implementation Project for CapitaLand, one of APAC’s leading real estate and data center providers. This phase involves deploying a custom-built solution on the ServiceNow platform, tailored to streamline operations, enhance visibility, and scale infrastructure management across CapitaLand’s expanding portfolio.

Let’s continue building excellence—together.
